The Town www.townofbreckenridge.com

Breckenridge feels real because it is. It's been a thriving town since 1859, during the Gold Rush and now it is still an authentic and unpretentious ski town with the character you're looking for in a western ski trip. An eclectic array of restaurants, shops, galleries and clubs provide the perfect compliment to the skiing.

“Breck” is a community steeped in tradition, culture, festivals and a sense of place that enhances your stay with its fun, friendly and casual atmosphere. Breckenridge is located in the heart of the Rockies and boasts the infrastructure of a small mountain city with a great free mountain bus system.
