President's Message

Thanks to everyone who made this past season a success. Now we look forward to our next season.

The 2010 winter Olympic spirit still prevails among us. Our club goals are to provide gold winning destinations, first place membership treatment and leaders in club events.

We plan on new fun filled events and improved membership benefits. Every effort is being made to streamline and update our Web site. We ran into a few technical difficulties but with our committed group of volunteers, we promise to make things better. We will be moving ahead with a solid game plan for enhancements.

The 2010-2011 AeSki club board members are a repeat of last season. Our board member teams are strong and experienced. Racing is proof of that, placing first in the 2010 CSC Monday night racing series. We are committed to better communications and membership rewards. We are planning a top-notch schedule of events, so get ready for more AeSki club news, newsletters and updates.

We also welcome your suggestions and feedback.

Please contact me at Gilhoolyp@AeSkiClub.com or sent you inquiries or questions to Info@AeSkiClub.com.

We will reply in a timely manner.

Mark your Calendars - The Open House will be held on Thursday October 28th at Maneeley's in South Windsor. This is a great opportunity to meet the board and other club members, talk to ski mountain reps and vendors, and have an opportunity to win some great raffle prizes.

Enjoy the rest of your summer.

Patrick Gilhooly

Ae Ski Club President

2010 BANFF TRIP REPORT

Banff Canada is like no other ski resort. The Canadian Rocky Mountains combined with good weather and good snow conditions make for a great trip. Start of the trip on the first leg from Bradley to our connector went smooth; with customs processing on the second leg before landing in Canada and with the final leg had us greeted by Ski Can vendor representation for the final bus ride to the hotel. We were treated to very picturesque bus ride. The Caribou lodge where we stayed was accommodating and well suited for our group. Our lift ticket plan had us selecting from 3 great locations. Breakfast was included so that helped get you going. Where to ski, when to catch the bus and what to have for lunch was all you had to do for a great day of skiing? Shuttles were timely and fitting. Pick up and drop off were right out the front door with a few stops along the way. Whether you brought your own or rented equipment, snow conditions were best at Sunshine & Lake Louise. It was for some skiers a roll out of bed to get in line for the bus to the slopes. This is not a bad way to start a day. Dining and food were varied, from fancy, like Georgia's to standards, like Subway. We celebrated a birthday during the week for one of our trip participants who happened to be a board member. The week also included a bonus pizza party at the Spaghetti Warehouse. This was compliments of AeSki Club and a small way to say thank you to those who took this adventure. With the AESki club. This pizza party was aimed to giving back to club member trip participants in a favorable and enjoyable way. The food feast proved great. Reported by the AeSki club race director who attend this event was a good time had by all. Return trip was a little bit off schedule but had us back in CT to make work the next day. Overall a destination that is a world class. Having the Olympics scheduled during the same timeframe as skiing western Canada was a dream come true.
